Pleasant Dreamz Mugs

by BRANDIE on 01/15/2010

Product Review: **Pleasant Dreamz Mugs** from Keeping It Positive: I am a big believer that positivity is powerful! I got a Pleasant Dreamz Barrel Mug and have declared it my blogging [mug](#)! LOL. There is nothing to start your day off better than some positive words. I blog each morning and sometimes I get writers block aka bloggers block. As I drink my [coffee](#) in the morning and read phrases from my mug as I pick it up it reminds me of the success that I have had so far, the dream that I had to start something and where I am now with it. =) It just makes me feel good. Everyone needs a little extra positivity or encouragement from time to time! The phrases on the mug are words that I tell my children all the time and even as an adult...it's nice to hear!

Product Description:

- 16 oz. Mug – [Dishwasher](#) and Microwave SAFE.
- Cobalt Blue and Black colors are available
- Phrases included on the mug are: Be Confident, You are in charge of your own destiny, Dream BIG, Believe in yourself, Think POSITIVE, Take one day at a time, Go after what you want, Stay FOCUSED and YOU CAN DO IT!

Price: \$12.99
