

**HIGH DRAMA:** Okay, so you can take the girl outta Philly, but ya can't take Philly outta the girl! I got a tip from a friend that a woman I knew from the "hood" ;) created a company that is on the verge of exploding!!! I thought, how cool would it be if I could bring it to Hollywood, support my "peeps" back home and help spread **POSITIVE ENERGY???** Check out this **RELEASE** about **DEBBIE OSER** and **KEEPING IT POSITIVE**:

**Debbie Oser**, a Stay-at-Home Mom of two boys, turned Entrepreneur, launched her business - **Keeping it Positive** - last year, and is trying to spread a **POSITIVE** message to kids and adults everywhere! Her product line, called **Pleasant Dreamz**, consists of **100% Cotton/300 Thread Count Positive Affirmation Pillowcases**, **16 oz. Positive Affirmation Ceramic Barrel Mugs**, and **Positive Affirmation Sweatshirt Baby Blankets**. These products are truly a **GREAT** tool for kids and adults to develop a **POSITIVE** mindset!

The subconscious mind believes whatever you tell it, so by repeating **Positive Affirmations** daily, you are conditioning your subconscious mind to believe these **POSITIVE** thoughts. Thinking positive can help transform your life, by affecting your behavior, attitude, reactions, etc., and can truly give a child more confidence and self-assurance!

They say that to change one's thinking patterns, one should say positive affirmations before going to bed, and when you awake in the morning,... and what better way than to have the **Affirmations** right on your **Pillowcase**, **Mug**, and **Baby Blanket**!

**Oser** would love to be able to spread this **POSITIVE** tool to kids and adults everywhere, and allow them to be more confident, and secure, and know that **THEY** are important, and can do anything they put their mind to!

Her products and information can be seen at [www.KeepingitPositive.net](http://www.KeepingitPositive.net), or can be reached at **215-768-0515 EST**.

Deb, I am ordering a mug right now!!! :)

Love & Horror,  
XO Brooke Lewis
