Pleasant Dreamz Pillowcase Review and Giveaway!

I really love the idea behind this company! **Keeping It Positive** believes that developing a positive mindset and self-image is one of the most powerful life strategies there is, and I couldn't agree more! One of the main things I want to teach my kids as they get older is how to have a positive outlook on life and confidence in themselves. I never would have thought a pillowcase could help instill that in them, but this one really does!

Here's what the pillowcase says:

Isn't that so cool? I *love* it!

It'll be awesome to put that on Kirsten's pillow as she gets older, especially when she's learning how to read. Until then, I'm putting it on MY pillow. As all moms know, we could definitely use a little positive affirmation in our lives as well! These pillowcases would make awesome gifts, and you wouldn't even have to wrap them because they come in super cute packages already:

I got the purple pillowcase. The [website](#) has a great idea of saying each of your positive affirmations from your pillowcase every night before going to bed. I am going to say mine every morning, to give myself an energizing start to each day. I just love the idea behind these products and think everyone could benefit from having a pillowcase like this, either for yourself or your children or grandchildren.

Debbie, the owner of the company, wants to give a pillowcase to one of my readers!

Here's how to enter:

*Visit her [website](#) and then leave me a comment and tell me which color you'll choose if you're the winner, and who the pillowcase will be for!
